Fields Corporation (Head office: Shibuya-ku, Tokyo; President and COO: Takashi Oya) announces the nationwide release of a new pachislot machine from Bisty Co., Ltd., “Neon Genesis Evangelion—That time has come, now they’re waiting for us.”

This new machine in the Neon Genesis Evangelion series of pachislot machines, which have been highly acclaimed among fans, significantly refines and develops the appeal and features of the previous model in the series, the well-received Neon Genesis Evangelion—Magokoro wo Kimini (released in July 2007).

This machine adopts the epic world of Evangelion as the inspiration for its unique body design and includes newly inserted video footage from the film *Evangelion: 1.0 You Are (Not) Alone* released in the fall of 2007. Game play is further enhanced through the incorporation of “Emergency gate” in-machine moving devices and LCD animations, which work in tandem to create an unprecedented, 3D entertainment experience. Players can now enjoy the excitement of Evangelion on a whole new level.

The brand new excitement brought to life through this machine is not only for pachislot enthusiasts but also many other people, including animation fans.

“Neon Genesis Evangelion—That time has come, now they’re waiting for us” is scheduled for delivery in September 2008 to pachinko halls throughout Japan.
