## **Notice of Conclusion of Outsourcing Contract with Netflix**

Digital Frontier Inc. (Head Office: Shibuya-ku, Tokyo; Representative Director/ CEO: Hidenori Ueki, hereinafter, “DF”) announces that it has signed an outsourcing contract with Netflix that provides one of the world’s largest streaming services.

This contract is led by DF and Netflix Digital Production Divisions. DF will provide Netflix a certain amount of video production resources of VFX and virtual production over a period of several years in Netflix original works produced by Netflix and its partner production companies, if both parties agree upon for each of the works or projects. The content produced is distributed exclusively on Netflix in more than 190 countries/regions.

DF is the first Japanese company to conclude this contract with Netflix.

### **[First production]**

Title: Netflix Original Series *Alice in Borderland* Season1

Distribution date: Currently distributing worldwide from December 10, 2020

Original work: Haro Aso *Alice in Borderland* (published by Shogakukan Shōnen Sunday Comics)

Supervisor: Shinsuke Sato

Starring: Kento Yamazaki, Tao Tsuchiya

Planning and production: ROBOT COMMUNICATIONS INC.

### **[About Netflix]**

Netflix is the world’s largest video distribution service specializing in entertainment used by more than 204 million paying members in more than 190 countries. It distributes a wide range of series, documentaries, and long films in many languages, including various award-winning titles. With all Internet-connected devices, you can enjoy movies and series from any time and place. In addition, you can easily find the pieces you want to watch by the unique function that recommends the pieces to each person’s liking. There is no advertising or restriction on contract period.
